Long Jump	18'6"	18'0"	22'6"	22'0"

- Cross country times will also be considered with an emphasis on performances at state, regional and national championship meets.

- Reaching the standards does not guarantee a scholarship offer or walk-on spot due to limited roster spots. Scholarship offers can range from 1%-100% of tuition and/or other expenses. Other factors considered include academic performance and scholarship availability.

- Please visit scholarships.utahtech.edu for information on academic scholarships available from the university.
