Dear Potential Student-Athlete,

An athletic scholarship is a wonderful way to finance your academic endeavors. In order for all of us to benefit there must be an athletic standard set for those interested in such scholarships. Please note that the standards are high due to the fact that Morgan State is a Division I institution, and in order to remain competitive we must have athletes who can be competitive on a division I level. These standards are set for those who wish to qualify for at least a 50% scholarship but up to 100%.
