UNIVERSITY OF NEVADA LAS VEGAS

Track & Field and Cross Country
Athletic Scholarship Standards and Walk-On Consideration

Thank you for your interest in the UNLV Track & Field/Cross Country program. Please be sure to review our scholarship and walk-on standards found on the next page before contacting coaches in your respective event areas.

Please be mindful of the NCAA rules, we cannot talk to prospective student athletes before July 1 of their junior year of high school. During the season coaches can become busy. If you do not hear from us within seven days, please reach back out to your specific event coach.

Thank you and Go Rebels!

	54.86m		51.81m		42.67m

Reaching these standards will not guarantee you an athletic scholarship or spot on the team. Multiple factors are considered Including, academic performance, scholarship availability and team needs. Also note that scholarships can range from 1-100%.

Competition for scholarships Is keen between high school, junior college, International and current UNLV athletes. If you meet the above standards, we encourage you to contact us!

Cross country athletes will be evaluated by the Director of Cross Country / Track & Field and Distance Coach within their respective season(s).
