Scholarship Information

1. The below standards are an *approximate* starting point to be evaluated for athletic scholarship money.
2. These numbers are not the only factor in determining an aid offer package, *meeting the estimate mark does NOT guarantee a scholarship offer*.
3. Additional factors include things such as event versatility (ie. Multi event athletes, distance and XC), roster needs and returning/graduating/transfer athletes, conference depth, etc.
4. All evaluations begin with an academic review for GPA and SAT
5. Merit offers at the Division II level are partial scholarships
6. The Division II model advocates for financial aid packages that can also offer things such as campus internships, FAFSA work-study, other scholarship options, and the option to work
7. We welcome walk-ons, should you not meet these marks please still reach out regarding a roster spot.
