Alvernia Intramural Mission Statement

The Alvernia College Department of Intramural and Recreation Sports, as part of a college with roots in the Franciscan tradition, strives to contribute to the complete realization of the student as an intellectual, social, emotional, physical, and spiritual being. You don’t have to be an athlete to play; these recreational activities are for everyone. Participants can choose to play at either the competitive or recreational level for the sports that are offered.

Alvernia College Intramural Team Roster

8 ____________________________ 16 _______________ ____________

Each team must submit a $10.00 refundable cash deposit with their roster. This deposit will be returned at the completion of the league playoffs if that team has not forfeited any contests. Any team that does not show up within 10 minutes of the scheduled starting time will forfeit that contest and lose half of their deposit ($5.00). Two forfeits will result in that team being disqualified from the league and losing the remainder of their deposit. All participants must be Alvernia College students, faculty, or staff. All participants must sign a waiver form. All participants must be on the roster. Rosters may be added to until the playoffs begin. Good luck!
