PRESENTS

COMMUNITY LEARN TO SWIM PROGRAM SPRING 2006
Course Dates Saturday April 1, 8, 15, 22 May 6, 13 & 20

PARENT & CHILD: AGES SIX MONTHS TO 5 YEARS OLD

This class is designed to help you and your child become comfortable in and around the water. Information & techniques are provided for parents to ORIENT THEIR child to the water and learn how to safely supervise all water activities.

Saturday..........................10:30 – 11:15am

FEE: $160

LEARN TO SWIM: 5 YEARS TO 18 YEARS OLD

LEARN TO SWIM LESSONS: YOUTH LEARN TO SWIM is a LEVELS program with each level building upon the previous one. Children will be given progress reports so parents are aware of their child’s development during the 8 – week program.

LEVEL I/II

This is a child’s first experience in the pool without their parent. Children work in a group situation with an instructor. For children 5 and older and have little to no swimming experience. Class will emphasis being comfortable in the water. Teaching front & back float & kicking, as well as paddle stroke with rhythmic breathing. Basic water safety skill will be taught & enforced.

Saturday..............................11:15-12:00pm

FEE: $160
LEVEL III/IV

This is a child’s first experience in the pool without their parent. Children work in a group situation with an instructor. For children 5 and older and have little to no swimming experience. Class will emphasis being comfortable in the water. Teaching front & back float & kicking, as well as paddle stroke with rhythmic breathing. Basic water safety skill will be taught & enforced.

Saturday………………………………….12:00-12:45pm

FEE: $160
