WOMEN'S SOCCER SET FOR NINTH NCAA CHAMPIONSHIPS APPEARANCE, FIRST SINCE 2021

The MIAA Tournament-champion and regular-season co-champion Hope College women's soccer team is competing this weekend in the NCAA Division III Championships for the ninth time in program history.. The Flying Dutch seek their second trip past the first weekend of the national tournament with two victories at Washington University in St. Louis. Hope last accomplished the feat in 2018, defeating Bridgewater, 1-0, in the first round, and Otterbein, 2-1, in the second round before falling at host Christopher Newport, 2-1, in the third round. Hope is 4-2-2 in NCAA first-round games and 1-4 in second-round games.

The Orange and Blue bring in 10-game unbeaten streak into the NCAA Championships that included two victories in the MIAA Tournament: 1-0 in overtime against Kalamazoo College in a home semifinal on November and 2-0 in regulation at MIAA co-champion and 15th-ranked Calvin University on November 7. Hope's last loss was 2-0 at #3 University of Chicago on September 26.

The Flying Dutch face Simpson for the first time. If Hope advances, the Orange and Blue would either meet defending national champion Washington University in St. Louis or Belhaven for the first time.

GAME NOTES

MIAA TOURNAMENT FINAL RECAP

For 180 minutes in The Rivalry this season, the Hope College women's soccer team proved unbreakable on defense. A quick-strike offense for the final 90 minutes against Calvin University made the Flying Dutch MIAA Tournament champions again during a historic Saturday night in Grand Rapids.

Hope scored within the first five minutes of each half during the weekend rematch, propelling the second-seeded Flying Dutch to a 2-0 victory in the MIAA Tournament final at Knights Stadium. The Orange and Blue claimed their fourth MIAA Tournament championship and a return trip to the NCAA Division III Championships, matching teams from the 2021 fall season, 2017, and 2016.

The Flying Dutch (13-3-2) also ended several seasons of frustration, ending a 12-game winless streak against Calvin that included four ties and eight losses since 2018, including a 0-0 draw on October 17. Senior forward Halle Barnard delivered ain the fifth minute perfect cross from the far side that rolled to the feet of junior forward Alexis Suptela about 10 yards in front of the net. Suptela launched a right-footed shot into the wide-open right corner of the net. Senior midfielder Jenna Schreiber headed in the second goal in the 47th minute off a corner kick.

MIAA TOURNAMENT SEMIFINAL RECAP

Hope College midfielder Amelia Streberger nimbly darted around a defender and charged toward the back line at Van Andel Soccer Stadium, eyeing a cross to an open teammate.

The ball never made it to Alexis Suptela, but seconds later, the Flying Dutch erupted into celebration. The pass deflected off the Kalamazoo College defender and bounced inside the left post for an own goal that lifted Hope to a 1-0 overtime victory in the MIAA Tournament semifinals. Streberger's heroics 59 seconds into the first 10-minute overtime period propelled second-seeded Hope into the finals for the 13th time on Saturday, Nov. 7, at 7:30 p.m. at top-seeded Calvin University.

The Hornets (13-5-1) yielded two first-half goals in that contest, but proved far stingier in the rematch. The Flying Dutch outshot Kalamazoo, 15-3, but could put one past goalie Jess Forbis until overtime. Feenstra recorded three saves for the Flying Dutch's ninth shutout of the season.

All-MIAA ACCOLADES

Seven standouts from the MIAA co-champion Hope College women's soccer team have been chosen for the 2026 All-MIAA Women's Soccer Teams. Forward Halle Barnard, goalkeeper Clare Feenstra, defender Mia Hesley, midfielder Jessica Reyes, and forward Alexis Suptela all made the 12-member All-MIAA First Team. Forward Kayla Cannon and midfielder Jenna Schreiber are among 12 All-MIAA Second Team honorees.

A midfielder, Reyes topped the MIAA with six assists in eight league games. The freshman also was named the MIAA Newcomer of the Year.

Barnard earned All-MIAA distinction for the first time. The senior elementary education major tied for third with five goals over eight league games.

Feenstra achieved All-MIAA recognition for the third time in her career and made the All-MIAA First Team for the second time. The senior secondary education and integrated science education major ranked second in the MIAA in league play in both goals-against average at 0.30 and save percentage at .900.

Hesley also claimed her third All-MIAA accolade and her first as a First Team recipient. The junior exercise science major also anchored a Hope defense that allowed two goals to MIAA opponents.

Suptela also earned her first All-MIAA honor in her first season with the team. The junior scored five goals during MIAA matches, tying for the third most.

Cannon received her first All-MIAA award. The senior played a key role on defense and contributed a goal at Saint Mary's. Schreiber claimed her first All-MIAA accolade. The nursing major excelled on both ends of the field.
