VOLLEYBALL PURSUES SEVENTH MIAA TOURNAMENT TITLE THIS WEEKEND

The Hope College volleyball team seeks the seventh MIAA Tournament championship in program this weekend this weekend at Calvin University and the first since the 2024 season when the Flying Dutch repeated as tournament winners. Hope is seeded second after finishing runner-up during the regular season with a 7-1 league record. The Orange and Blue will face third-seeded Albion College in the semifinals, their second meeting in 10 days. The Flying Dutch swept Albion in three sets on November 4 at DeVos Fieldhouse. The Hope-Albion winner will play either top-seeded Calvin University or fourth-seeded Saint Mary's College on Saturday, Nov. 14, at 5:30 p.m.

This is just the fourth time Hope and Albion have squared off in the MIAA Tournament since the event began in 1999. The Flying Dutch have won two-of-three matchups, but Albion took the last one with a three-set victory in the 2022 semifinals at Calvin. Hope is 38-19 all-time in MIAA Tournament play, including a 21-4 record in semifinal matches. The Flying Dutch are 6-0 against Saint Mary's in postseason play and 6-16 against Calvin. The MIAA Tournament champ receives the league's automatic berth to next week's NCAA Division III Championships. The field is announced on Monday on ncaa.com.
