

Elite Camp Elite Clinic Saturday October 17, 2026

Our Elite Clinic gives each participant a chance to see and feel what it is like to train in a top Division III collegiate environment with high-level players and college coaches. The coaching staff will instruct technical and tactical concepts with special focus on position play, offensive and defensive breakdowns and full-court games. Each on-court session will be run like a typical college practice.

Total clinic size will be restricted to allow significant individual attention and feedback for players interested in playing at the collegiate level. Register NOW to assure a spot!!!
