A LETTER FROM STAG COUNTRY

VICE PRESIDENT FOR ATHLETICS PAUL SCHLICKMANN

Dear Stags Family,

At Fairfield University, our rise to national prominence is driven by arelentless commitment to excellence, continuous growth, and a shared vision for the future. As we strive to reach new heights in competition, academics, and the student-athlete experience, we also recognize the importance of reflecting on the journey that brought us here. Looking back allows us to honor the achievements of those who built our foundation, learn from the challenges that have strengthened us, and celebrate the milestones that define our legacy. By embracing both forward progress and thoughtful reflection, Fairfield Athletics remains grounded in its values while confidently pursuing an even brighter future for our student-athletes, coaches, alumni, and the entire Fairfield Stags community.

Throughout the 2025-26 academic year, our student-athletes exemplified that embrace of the Magis through their unwavering dedication, resilience, and determination, culminating in one of the most successful years in the history of Fairfield Athletics, culminating in our third consecutive MAAC Commissioner's Cup and fifth straight MAAC Women's Commissioner's Cup.

Together, our programs secured six team conference championships, including four teams winning the league title for the second or third consecutive year, as well as 12 individual MAAC titles. Our success extended well beyond conference competition, with five NCAA Championship appearances highlighted by an NCAA postseason victory for Fairfield Field Hockey.

The pages that follow highlight the exceptional accomplishments of our 20 varsity programs and more than 500 student-athletes, whose achievements transcend athletic competition. Their commitment to academic excellence produced a department-record 3.62 cumulative GPA, while their dedication to serving others resulted in more than 5,000 hours of community service—reflecting the holistic educational experience that defines Fairfield Athletics.

Every milestone we have achieved is a testament to the strength of our team and the passionate support of our Fairfield family. Across our department, our student-athletes, coaches, and staff have cultivated a culture grounded in accountability, perseverance, and common purpose.
This growth mindset results in an annual reset of our own expectational bar while strengthening our care for one another and our mutual accountability in the pursuit of our highest potential.

As you explore the 2025-26 Annual Report, I invite you to join us in celebrating this historic year and the individuals who made it possible. Whether you are an alumnus, student, parent, or fan, you are an indispensable part of the Fairfield Athletics community. Your extraordinary support over the past year reached unprecedented levels, with a record 4,073 gifts totaling more than $4.43 million, including an all-time high of $4.2 million in operational support.

Your generosity, the tremendous enthusiasm you bring to our home venues, and your steadfast encouragement of our student-athletes have been instrumental in our continued growth and success. Together, we are building on our momentum, strengthening our tradition of comprehensive excellence, and elevating Fairfield Athletics on the national stage.

Thank you for your loyal and impactful support of our student-athletes and our mission.

Go Stags!

Paul Schlickmann
Vice President for Athletics

WE ARE STAGS

OUR MISSION

Create a courageous and compassionate department-wide family culture dedicated to personal and collective best, continuous improvement, and whole-person development

OUR MOTTO

VALUES-BASED.
STUDENT-CENTERED.
OUTCOMES-FOCUSED.

OUR VISION

Total human development through a distinctly Jesuit championship experience that cultivates the most prepared and sought-after graduates in the world

OUR PROMISE

BUILT FOR LIFE

STAGS COMPETE

We are one in the pursuit of personal and collective best, in the classroom and in competition - never settle, never quit. We compete every play, every day, honoring God, the game, teammates, and competitors - no fear, no limits, no excuses.

STAGS CARE

We care more, risk more, and give more than others think wise or possible. We find strength in our diversity – one team, one family, whatever harms any Stag harms me.

STAGS LEAD

We are stewards who demonstrate integrity, responsibility, and accountability, striving always to choose the better. We are men and women for and with others, inclusive servant leaders who promote justice by standing up, speaking up, and stepping up for our shared values.

STAGS GROW

We are forged and made resilient through our individual and collective adversities. We are balanced, reflective, and growth-minded, playing present in the miracle of the moment- in competition and life.

STAGS COMPETE

FAIRFIELD WINS THIRD CONSECUTIVE MAAC COMMISSIONER'S CUP, FIFTH STRAIGHT WOMEN'S COMMISSIONER'S CUP

For the third consecutive season, Fairfield University Athletics has won the Metro Atlantic Athletic Conference (MAAC) Richard J. Ensor, Esq. Commissioner's Cup. The Stags also claimed the MAAC Commissioner's Cup for Women's Sports for the fifth straight academic year.

The Richard J. Ensor, Esq. MAAC Commissioner's Cup is awarded annually as a symbol of overall excellence in athletics in the 23 championships conducted within the MAAC. Only the scores from Men's & Women's Basketball, plus the top six men's and top six women's scores are used to determine an institution's total points.

"We are thrilled and honored to win the Richard J. Ensor, Esq. MAAC Commissioner's Cup for the third consecutive season and the Women's Commissioner's Cup for the fifth straight year. These awards represent the achievement of annual departmental goals indicative of our continued commitment to comprehensive competitive excellence," said Vice President for Athletics Paul Schlickmann.

"Sustained success at a championship-caliber level is one of the greatest challenges in sports and we celebrate the unique accomplishments of all our programs in this 2025-26 version of the Commissioner's Cup. This is a TEAM award shared by our university leadership, our campus partners and our extended Stags family who provide us with the services and support to become the best version of ourselves."

FAIRFIELD WINS THIRD CONSECUTIVE MAAC COMMISSIONER'S CUP, FIFTH STRAIGHT WOMEN'S COMMISSIONER'S CUP

Fairfield won MAAC Tournament Championships in Volleyball, Women's Basketball, Men's and Women's Swimming & Diving, and Women's Lacrosse. The Stags also bolstered their Commissioner's Cup total as the MAAC Regular Season Champions in Women's Soccer, Volleyball, Women's Basketball, and Women's Lacrosse.

The fifth straight Commissioner's Cup for Women's Sports increases Fairfield's MAAC-leading total to 14 in program history. In addition to five women's programs to post a MAAC Championship or Regular Season Championship campaign, Fairfield earned points on the ledger with a second-place finish in Softball and a fifth-place performance in Women's Cross Country – sparked by Hannah Snayd's second straight individual MAAC Championship.

On the men's ledger, Fairfield improved to third place after an eighth-place finish in 2024-25. The Stags improved their totals from the prior year in four of seven MAAC men's programs: Cross Country, Soccer, Basketball, and the MAAC Champion Swimming & Diving squad. Baseball was the top-scoring men's team with 16 points courtesy of a second-place tie in the regular season and runner-up performance in the postseason. Men's Golf's scoring was fueled by an individual MAAC Championship performance by Rasmus Ditzinger.

The MAAC Commissioner's Cup does not account for Fairfield's athletics programs that compete outside the conference, including the Stags' nationally-ranked field hockey team that won the NEC Regular Season and Tournament Championships in 2025-26 and went on to win an NCAA postseason game over Boston University.

"I am extremely proud of ALL our coaches, staff, and student-athletes – including those who don't compete in the MAAC – whose relentless commitment to a shared aspirational vision inspires our ability to meet high expectations and a consistent desire to raise our own bar," added Schlickmann.

MAAC COMMISSIONER'S CUP

AT A GLANCE

OVERALL COMMISSIONER'S CUP
- Fairfield's first-ever run of three consecutive Commissioner's Cups
- Fairfield's seventh in program history – second among current conference members
- Seventh consecutive season ranked in top three

WOMEN'S COMMISSIONER'S CUP
- 14th Women's Commissioner's Cup (most all-time)
- Fifth straight Women's Commissioner's Cup, fifth in the last six

MEN'S COMMISSIONER'S CUP
- Improved to third place after an eighth-place finish in 2024-25
- Scored more points than the prior year in four of seven MAAC men's programs: Cross Country, Soccer, Basketball, and Swimming & Diving

STAGS COMPETE

LEARFIELD DIRECTORS' CUP STANDINGS

Fairfield University Athletics ranked among the top 20 I-AAA programs in the nation in the final Learfield Directors' Cup Standings for the 2025-26 academic year. The Stags were also third among Division I-AAA Jesuit colleges and universities and second among MAAC institutions.

The Learfield Cup measures success across all NCAA programs with points earned for participation and advancement in NCAA Tournament play. The University of Texas was the overall Learfield Cup champion, while the University of Denver topped the I-AAA classification.

Fairfield finished tied for 16th in the I-AAA class, which includes the more than 100 Division I athletic programs that do not sponsor football. The Stags garnered 120 points in the standings after winning six conference championships in 2025-26. Fairfield earned points in the Learfield Cup in field hockey, volleyball, women's basketball, and women's lacrosse. The historic win for Fairfield Field Hockey in the NCAA First Round accounted for additional points on the national ledger.

COMMUNITY SERVICE SNAPSHOT

Every Fairfield student-athlete completed at least one service or volunteer experience during the 2025-26 academic year, totaling **5,210** hours of community service

ADOPT-A-SCHOOL PROGRAM

Fairfield University Athletics and Fairfield Public Schools mark the successful conclusion of the first academic year of their formal partnership, an initiative designed to inspire young learners through mentorship, engagement, and the integration of Fairfield University's athletics into educational enrichment at the local public schools.

Launched ahead of the 2025–26 academic year, the partnership has connected Fairfield University NCAA Division 1 student-athletes with elementary school students across the district, fostering meaningful relationships while promoting academic achievement, physical wellness, and personal growth. Over the course of the year, student-athletes contributed their time and talents in classrooms, at school events, and through community-building initiatives that reached students across multiple schools.

Throughout the year, Fairfield student-athletes supported a wide range of programming, including classroom reading initiatives, STEM nights, physical education assistance, and school-wide events.

- Alumni Networking Night
- Financial Literacy
- Fueling for Performance
- Mock Interviews
- Winning the Mental Game
- Mindful Mondays
- Student-Athlete Support Groups
- Stags Care Ambassadors
- Stress Less Week
- Antler Games

STAGS LEAD

HEAD COACH BILL CURRIER

After leading the Fairfield University Baseball program for 15 seasons, including the most successful stretch in program history, Head Coach Bill Currier retired from coaching at the conclusion of the 2026 season.

The 2026 campaign was his 37th season as a head coach, encompassing over 900 victories, six conference Coach of the Year awards, three NCAA Regional appearances, and two MAAC Championships.

"I am very grateful to Director of Athletics Rick Farnham at Vermont for hiring me at the age of 27 to be the head coach at my alma mater, and to Gene Doris and Paul Schlickmann for giving me that same opportunity here at Fairfield for the second half of my coaching career," Coach Currier said. "They took a chance on me, and I believe I more than fulfilled expectations in 22 years at Vermont and 15 years in the Stags' program. I feel especially fortunate to have been surrounded by so many quality student-athletes, assistant coaches, and support staff who brought character and success at both high academic institutions. I've coached for many years, and my wife and family have been there for me following every game. It's time to give back to my family and grandkids and to enjoy being a larger part of their lives."

Currier has built the Stags into one of the premier baseball programs not only in the Northeast but also among the national mid-major landscape. In his 15 years at Fairfield, he recorded a 429-335 record which includes 10 30-win seasons and a program record 39 victories in both the 2021 and 2025 seasons. Currier also guided the Stags to the 2016 and 2025 MAAC Tournament Championships, the first tournament titles in program history. Fairfield has reached 30 wins in seven straight seasons and also became the first program in MAAC history to win four consecutive regular season titles.

STAGS LEAD

HEAD COACH BILL CURRIER

In total, the Stags have won six MAAC Regular Season Championships in the last 10 full seasons of competition, securing the top seed in 2016, 2017, 2021, 2022, 2023, and 2024.

The program has also seen a rise of the individual talents throughout the Currier era with 67 All-Conference selections compared to 10 in the previous 30 years. The Stags have had 33 players receive All-MAAC First Team honors under Currier including four MAAC Players of the Year and two of the last three MAAC Pitchers of the Year.

Currier led the Stags on to the national scene during their historic 2021 season with a 33-1 regular season record, the highest regular season winning percentage in NCAA Division I history.

The Stags were the first-ever MAAC team to receive a national ranking, slotting #23 in the Baseball America Top 25 poll, and were also the first MAAC squad ever to earn an at-large bid into the NCAA Regionals. Fairfield went on to defeat Southern University and Arizona State to reach the Finals of the 2021 Austin Regional, marking the first NCAA postseason wins in program history.

The Stags also secured the number one spot in New England in the final NEIBA poll in 2021, the first time in program history they were slotted as the top team.

Currier's 37-year head coaching career also included 22 seasons leading the Vermont baseball program. He garnered three America East Coach of the Year awards with the Catamounts to go along with his three MAAC Coach of the Year honors. Currier has mentored 13 student-athletes who were selected in the MLB Draft with a pair – Matt Duffy at Vermont and Fairfield's Austin Pope – making appearances in the MLB.

STAGS LEAD

2025-26 COACH OF THE YEAR AWARDS

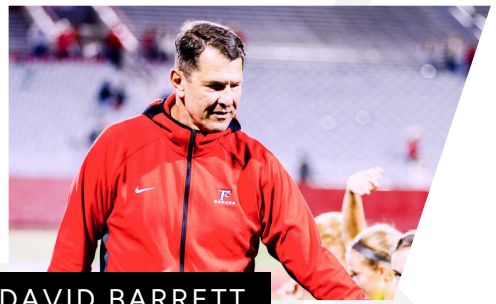

10 of Fairfield's 16 current head coaches have earned a conference Coach of the Year award during their tenure with the Stags

JAKE LICHTER

2025-26 MAAC Men's Coach of the Year

- Led Fairfield to MAAC Tournament and Regular Season Championships at 16-6 overall and 8-0 in the MAAC
- The Stags made their eighth consecutive NCAA postseason appearance

STAGS LEAD

COACH CARLY NAMED WBCA DIVISION I COACH OF THE YEAR FINALIST

Head Coach Carly Thibault-DuDonis was named one of eight finalists for the Women's Basketball Coaches Association (WBCA) Division I National Coach of the Year award. Coach Carly led the Stags to their third straight MAAC Championship and NCAA Tournament appearance in 2025-26.

Coach Carly and the Stags garnered a #25 national ranking for the second time in three years en route to a 28-5 overall record that included a 19-1t tally in the MAAC.

The Stags boasted one of the best offenses in program history, setting a single-season standard with 2,476 points scored. They were one of the top shooting teams in the country, knocking on a MAAC record with 373 made three-pointers made – tops in the nation in 2025-26 and tied for the 11th most in Division I history. The Stags were also ranked in the top-10 in the country with a.369 3-point shooting percentage.

Fairfield earned its best-ever seed ever in NCAA Tournament as an 11-seed. The Stags were one of three teams in the tournament to have won three consecutive conference championships.

Vanderbilt's Shea Ralph was awarded the WBCA Division I National Coach of the Year with seven others being named finalists. Coach Carly joined the list that included: UCLA's Cori Close, Iowa's Jan Jensen, West Virginia's Mark Kellogg, Duke's Kara Lawson, South Carolina's Dawn Staley, and Rice's Lindsay Smith-Edmonds.

- Division I National SAAC Representative
- 2026 Fairfield University Student Achievement Award

The William Wallin Memorial Award is presented each year in memory of William Wallin, Class of 1961, who was a member of the baseball and cross country teams. In his honor, the University presents the Wallin Award to a student-athlete who exhibits the highest levels of sportsmanship, character and leadership on and off the field. The award recipient should encompass all of these qualities to include community service and outstanding academic credentials in addition to his or her athletic success.

STAGS GROW

NCAA TOURNAMENT WIN

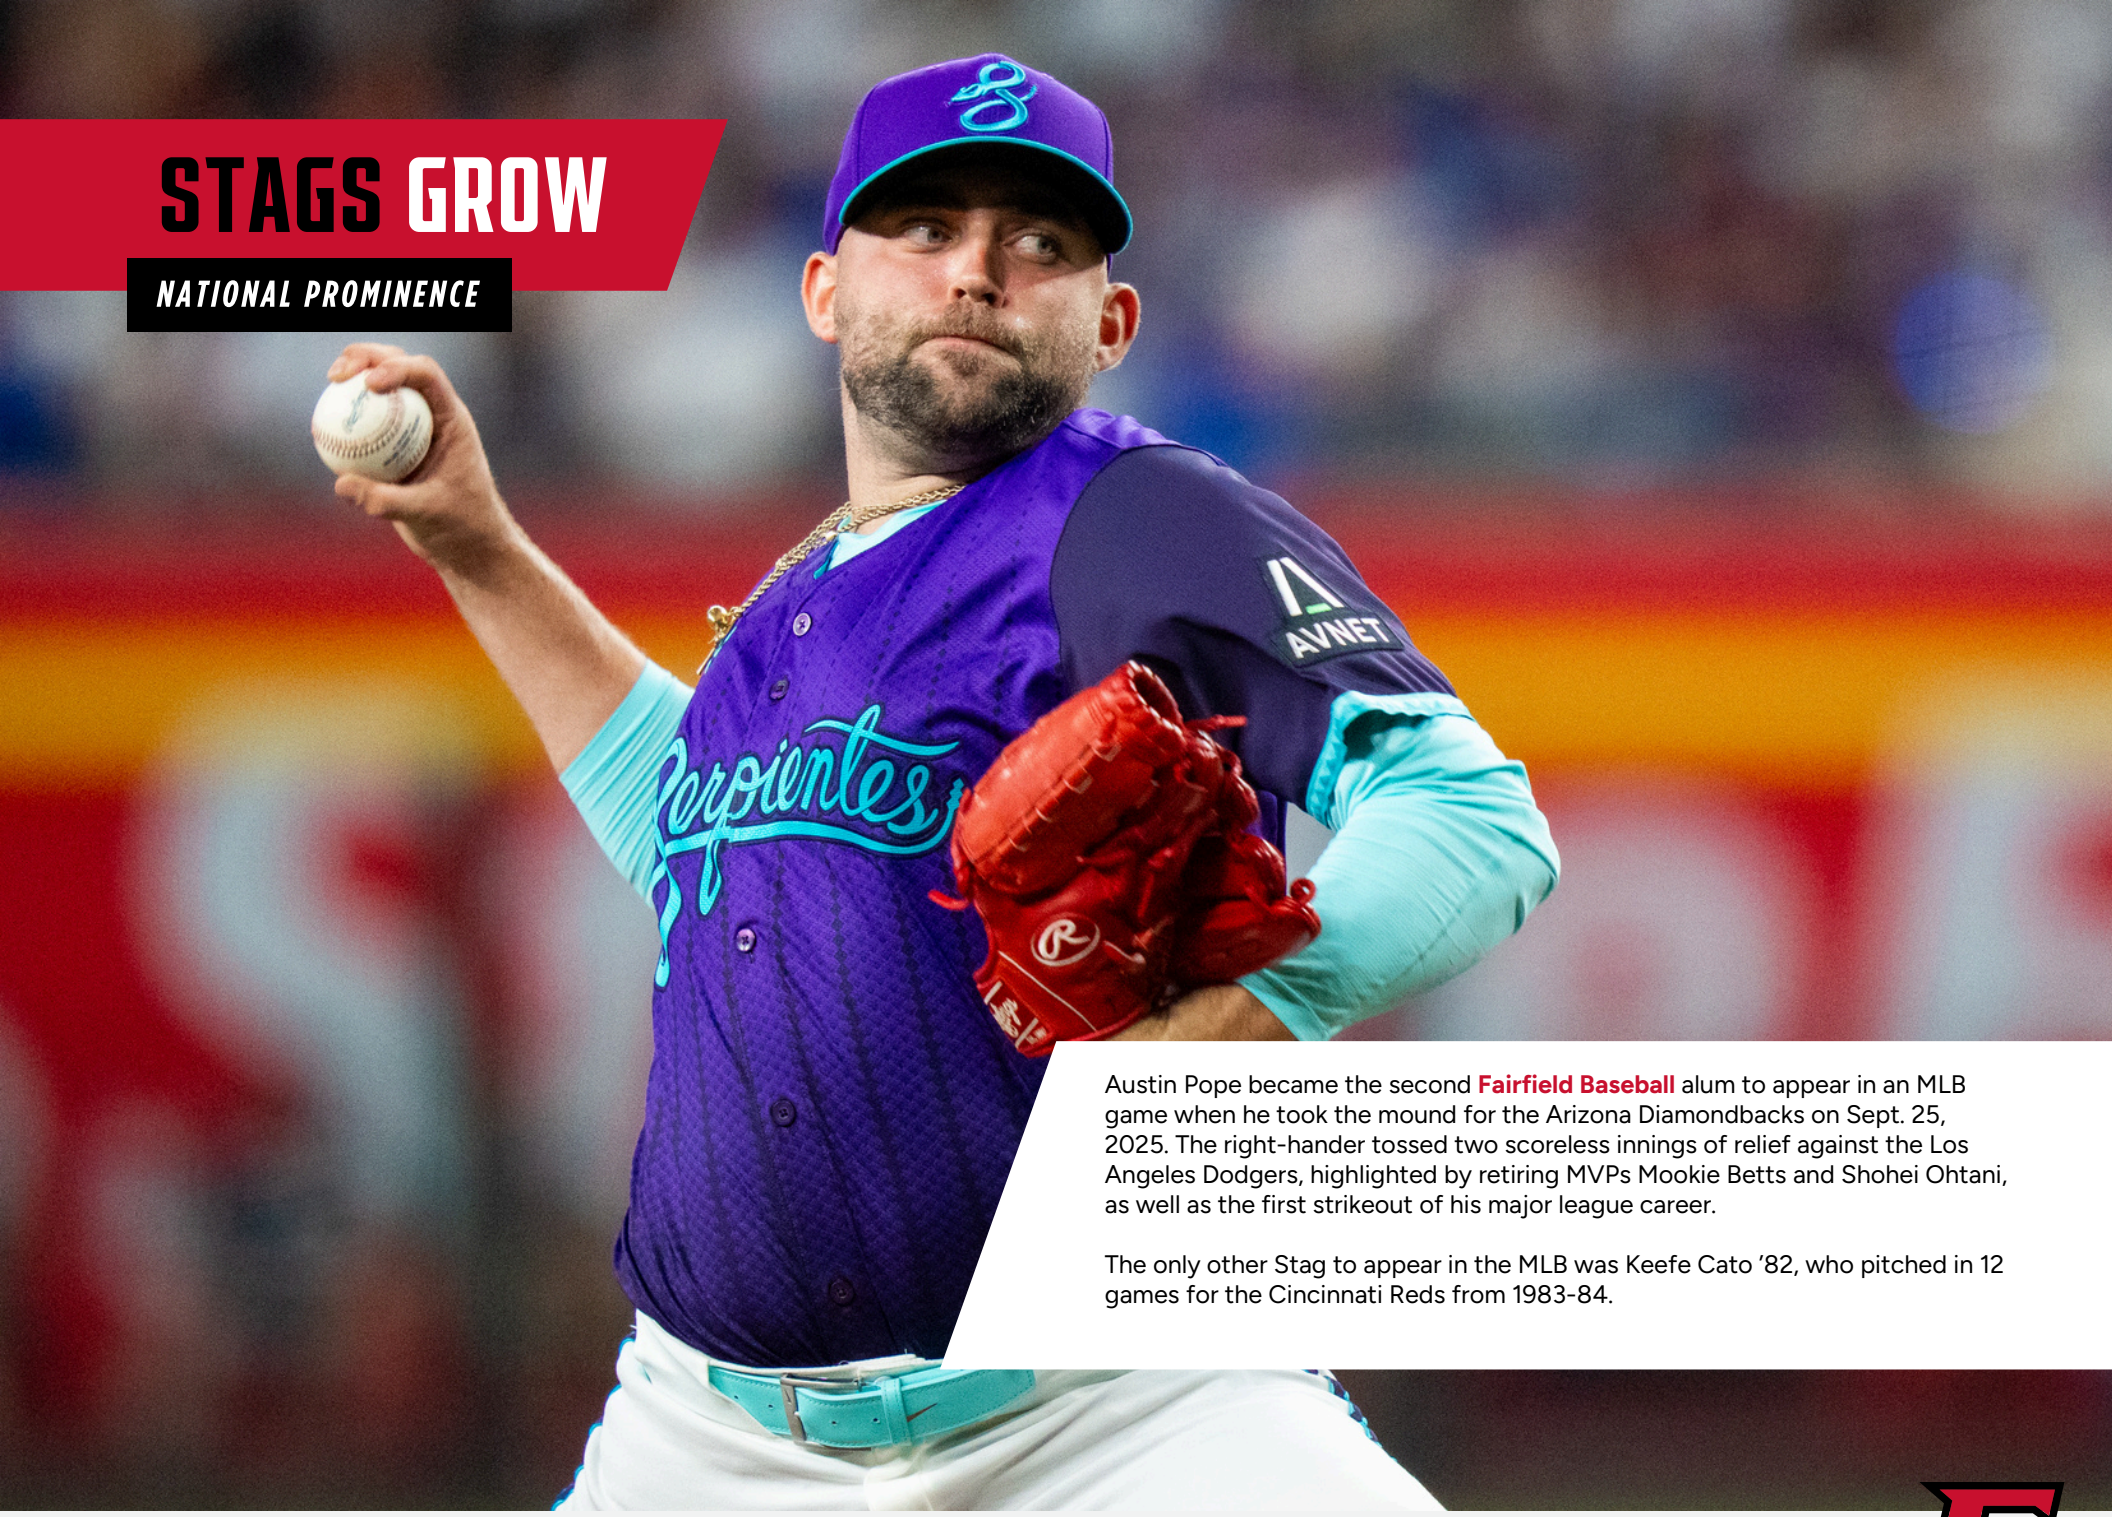

Fairfield Field Hockey defeated Boston University, 1-0, in the NCAA Championship First Round. The Stags advanced to play #3 Princeton, the eventual National Runner-Up, falling 3-1 to the Tigers.

The victory was the second NCAA postseason win in Fairfield Field Hockey history (#23 American, 2019) and the first by a Fairfield team in any sport since Fairfield Baseball won two games en route to the NCAA Austin Regional Finals in 2021.

STAGS GROW

NATIONAL PROMINENCE

Austin Pope became the second **Fairfield Baseball** alum to appear in an MLB game when he took the mound for the Arizona Diamondbacks on Sept. 25, 2025. The right-hander tossed two scoreless innings of relief against the Los Angeles Dodgers, highlighted by retiring MVPs Mookie Betts and Shohei Ohtani, as well as the first strikeout of his major league career.

The only other Stag to appear in the MLB was Keefe Cato '82, who pitched in 12 games for the Cincinnati Reds from 1983-84.

STAGS GROW

FAIRFIELD UNIVERSITY ACCEPTS INVITATION TO JOIN THE COASTAL ATHLETIC ASSOCIATION BEGINNING IN 2027-28

Fairfield University has accepted an invitation to join the Coastal Athletic Association (CAA) as a full member of the conference beginning on July 1, 2027. The Stags will become the 14th full-membership institution in the CAA with all 19 of Fairfield's NCAA Division I athletic programs set to compete under the CAA banner.

Fairfield Athletics has won the MAAC Commissioner's Cup in each of the last three academic years as well as the last five MAAC Commissioner's Cups for Women's Sports. The Stags have had six programs earn national rankings – Baseball, Women's Basketball, Field Hockey, Men's Lacrosse, Women's Lacrosse, and Women's Soccer – since 2021. Over the last five years, Fairfield has garnered 23 conference tournament championships, 25 regular season championships, and 23 NCAA postseason berths, including the first-ever at-large bids in program and MAAC history in Baseball and Women's Lacrosse.

Fairfield University is the fifth most selective Catholic university in the nation with an admit rate of 21% for the incoming Class of 2030 – selected out of the largest applicant pool in university history – which boasts an average weighted GPA of 3.9 and middle 50% SAT range of 1320-142. Fairfield is tied for #139 in the National Universities category in the U.S. News & World Report's best College Rankings, slotting among the top 75 private national universities.

All 13 current CAA member institutions join Fairfield in the National Universities category in U.S. News & World Report.

The CAA encompasses many of the nation's largest metropolitan areas with a geographic footprint that stretches from Boston to Charleston, S.C. The conference has produced 18 national team champions in five different sports, 33 individual national champions, 15 national players of the year, 15 national coaches of the year and 13 Honda Award winners. Just as impressive, however, are the honors accumulated away from competition, which include five Rhodes Scholars and 25 NCAA post-graduate scholars. In 2025-26, more than 3,800 of the league's student-athletes received the Commissioner's Academic Award after posting at least a 3.0 grade point average while lettering in a varsity sport.

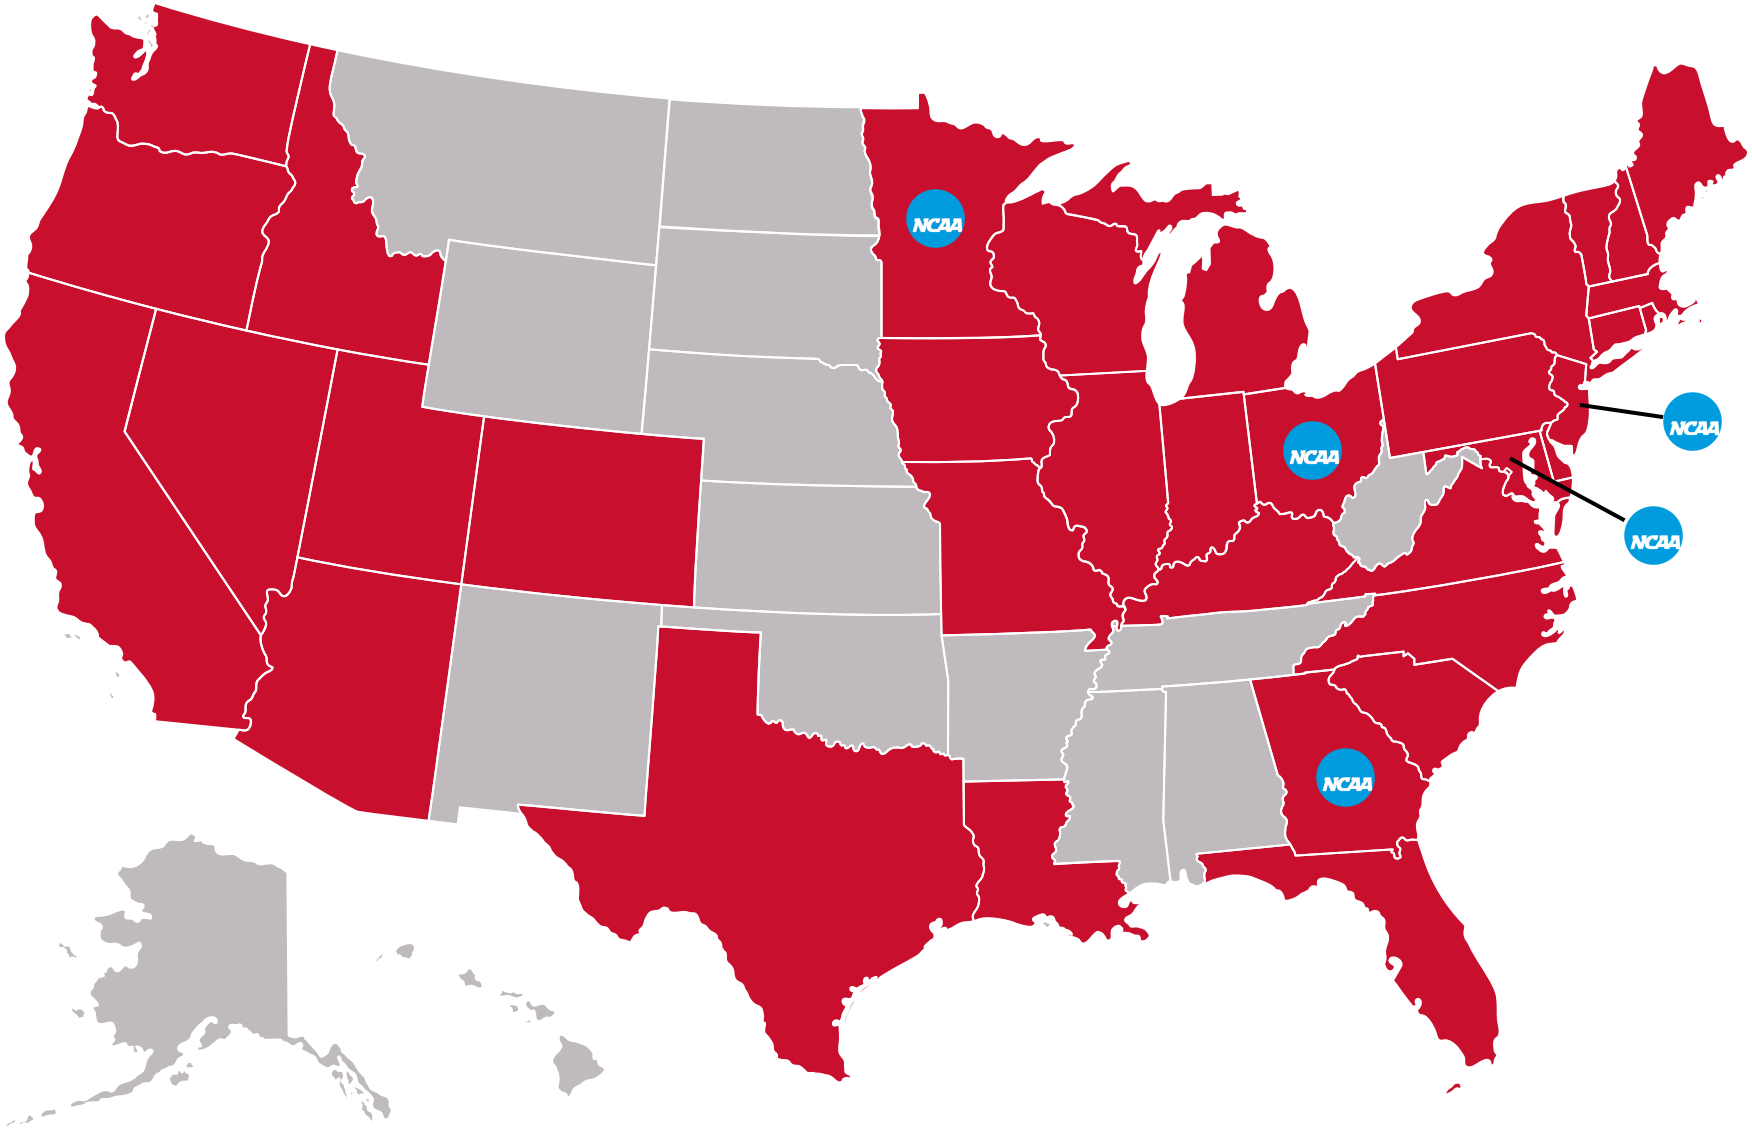

STAGS GROW

STAGS ACROSS THE NATION

Fairfield Athletics competed in 17 states and Washington D.C. in 2025-26, including FIVE NCAA postseason appearances.

Stags student-athletes in 2025-26 represented 33 States, Puerto Rico, and 21 different countries.

MATTHEW BUCCIERO '26

Fairfield University Baseball standout Matthew Bucciero's dreams came true as the slugger was drafted in the 10th round by the Chicago White Sox in the 2026 MLB Amateur Draft..

Bucciero is the 22nd Stag ever selected in the draft and the third to be chosen within the top 10 rounds. He graduated from Fairfield as the program's all-time leader in home runs (55), RBI (225), total bases (494), runs scored (221), triples (12), walks (153), and tied for the program standard with 271 hits.

"It's a dream come true," Bucciero said. "I'm really excited for what the future has in store. I'm extremely grateful to the White Sox for giving me an opportunity and can't wait to get after it."

Bucciero enjoyed one of the best hitting careers in the history of Fairfield baseball, graduating as the program leader in seven categories. The reigning MAAC Player of the Year, Bucciero earned three All-MAAC First Team selections, two All-Northeast Regional honors, and two ECAC All-Star accolades.

The outfielder also showed success in the classroom as Fairfield's second-ever First Team Academic All-American and was named both the MAAC Male Student-Athlete of the Year and Fairfield Alumni Association Men's co-Scholar-Athlete of the Year.

"Our staff, players, and alumni are ecstatic for Matt," incoming Head Coach Brian Fay said. "Matt chose Fairfield University out of high school and worked relentlessly for the past four years to turn his dream into a reality. The White Sox are getting a phenomenal player and an even better person. We're all looking forward to following Matt's professional career."

During his senior season, he was the only unanimous player on the All-MAAC First Team and led the conference in: home runs (20), RBI (57), and slugging percentage (.688), where he ranked top 50 nationally.

Throughout his career, Bucciero helped lead the Stags to four straight 30 win seasons, two MAAC Regular Season Championships, the 2025 MAAC Tournament Championship, and an NCAA Regional appearance. He was named the MAAC Championship MVP in 2025.
