New Traffic Plan – Accessing the Stadium

Travel into Veteran's Memorial Stadium this year for home football games will look a little bit different. Due to construction along the West Street corridor (one of the main ingress and egress routes near the stadium), alternative routes will have to be utilized to access the venue.

In order to help fans plan ahead to ensure an exciting, memorable game day experience, the new traffic plan to access the stadium and its most common parking areas is highlighted below.

See you on GAME DAY!!! And remember…This is More than a Game!

Tip of the Day from JSU Police: JSU Football Game Traffic Plan (updated as of 9/5/13)

More info on next page…

Signs will be posted around the stadium directing traffic to detour for the following streets;

1. Tailgate patrons: West bound traffic from I-55 to West St. will proceed in far right lane just past West St. and take Mill St. access ramp

-Proceed north on Mill St. to Lorenz St.

-Make Right on Lorenz St. to West St.

-Make Right on West St. and proceed South to Tailgate Lot.

All general parking can be accessed from State St. at Stadium Drive and the street besides Backyard Burger. All game patrons are advised to leave at least an hour early for the game (game kickoff 5:00 pm).
