Today's Game Day Featured Item:

Handicap Accessibility

Jackson State University is pleased to welcome patrons with disabilities. This guide provides information regarding the many accessible features that will help you to enjoy your visit to Veterans Memorial Stadium. We are eager to serve you so that you will want to return to "Tiger" Stadium with your friends.

See you on GAME DAY!!! And remember…This is More than a Game!

Tip of the Day by Monica Walls-Jones: "Call five days in advance to request reasonable accommodations for game day."

Accessibility for Patrons with Disabilities

Upon request, reasonable accommodation will be provided at no cost to persons with protected disabilities. To request reasonable accommodation, please contact Disability Services at least five working days before the event. If, after reading this brochure, you have more questions or suggestions on how to improve our continuing efforts to make your visit comfortable, we invite you to call at: **Voice: (601) 979-3704.**

ACCESSIBLE PARKING:
Entrance to lots with accessible parking requires a valid disabled parking placard or “access” license plate. To assist patrons in reaching the handicapped lots, we suggest that the handicapped placards be hung from the rear view mirror or placed on the driver’s side of the dash board. Our traffic officers are trained to look for the placards and will assist the patrons to the handicapped lots. Upon request, patrons must also show the serial numbered registration card issued to the disabled individual with the parking placard or license plate. Please refer to the map for parking lot locations.

ACCESSIBLE SEATING:
People who use wheelchairs, walkers, crutches, four- prong canes, or oxygen tanks, or are accompanied by service animals are eligible to be seated in areas where accessible seating is located. One companion may accompany the individual and be seated next to each accessible seating space. Additional members of a party cannot be seated in the accessible seating area. These seats are reached through all tunnels of the stadium.

Wheelchair users and other persons with mobility impairments will enter through the main entrance where the sign “Disability Services stands. Once the patron enters, there will be an usher to guide you to the ramp for seating.
