Head Coach
Jamey Shouppe
3rd Season - Florida State 1982
2014 MEAC Coach of the Year
Overall Record: 49-51, 29-19 MEAC

Jamey Shouppe is in his 3rd season at the helm of the Florida A&M baseball program by wining the program's first MEAC Championship since 1994 and taking the Rattlers to its' first-ever NCAA Regional appearance. Shouppe had earned 2014 MEAC Coach of the Year honors in his first season.

Shouppe's second season was a historic one as he guided the Rattlers to their first-ever NCAA Regional appearance. FAMU went to the Gainesville Regional after winning the MEAC Championship for the first time since 1994. Head Coach Jamey Shouppe was named the Tournament's Most Outstanding Coach following an 8-2 Championship Game win over Bethune-Cookman. During the 2015 campaign, Florida A&M defeated North Carolina Central 9-4 at Fenway Park, which was part of an HBCU Celebration weekend that was organized by the Boston Red Sox and the Boston Area Church League, Inc. The game in Fenway Park marked the first-ever game between two HBCU programs in a MLB ballpark with conference standings on the line. In 2015, FAMU won the MEAC Southern Division outright for the first time since 1997. The 2015 pitching staff also saw a program first as it finished with a sub-5.00 team ERA for the first time. The Rattlers 29 regular season MEAC wins in Shouppe's first two seasons were the most MEAC wins over any two-year period in FAMU history.

The Rattlers 26-26 record in 2014 was the first time FAMU finished the regular season with a .500 or better record since 2003. Florida A&M closed out the regular season on a season-high five-game winning streak and won 11 straight games decided by one run. The 26 wins on the year were the most since the Rattlers won 24 in 2009. Florida A&M won a program best 14 games in the MEAC and finished in a first place tie in the Southern Division with Bethune-Cookman. The 14 conference wins is just the third time in program history with double digit MEAC wins.

One of the biggest highlights of Shouppe's first season was a 4-3 win over then No. 6 Florida in Gainesville, arguably the biggest win for the MEAC in 2014. The win marked the first over the Gators in the history of the Florida A&M baseball program. FAMU also ended long losing streaks over Jacksonville (20), North Florida (13) and Bethune-Cookman (13) during the season.

Shouppe came to Florida A&M after spending 21 years as the Pitching Coach at Florida State. Taking over a program coming off back-to-back seven win seasons and over 45 losses, this was a prized catch for the Rattler program.

As the Pitching Coach/Recruiting Coordinator at Florida State he produced 10 ACC team ERA pitching titles, coached 63 pitchers that were drafted including six first round picks, coached 26 first team All-Americans and made nine College World Series appearances.

Shouppe is also currently serving as a coach with USA Baseball. In 2012 and 2013, he was the pitching coordinator for the 18-up Summer league baseball.

Professionally, he played with the Houston Astros from 1982-1985, where he was drafted in the eighth round of the 1982 draft.

A Florida State graduate with a degree in Physical Education, Shouppe also earned a Master's degree from Nova University in Fort Lauderdale. A Chattahoochee, FL native, Jamey and his wife Karen, a former Florida State cheerleader, have three children: Jake, Kasey and Jared.
