MISSION STATEMENT

The Frostburg State University Athletic Department endeavors to contribute to the total education of each individual student by providing a disciplined teaching/learning experience outside the classroom. The athletic program strives to provide an environment of healthy competition to assist in the development of well-rounded responsible citizens. The athletic experience seeks to foster the personal qualities of high ethical values, a competitive spirit, winning as part of a team, excelling individually, cooperation, self-discipline and self-esteem. Student-athletes may develop their athletic interest and potential through a variety of intercollegiate sports. They, along with other students, may continue to develop athletic interests through a variety of intramural or club sport activities, all of which are supported through the University budget.

Annie Sidorenko Head Coach

Annie Sidorenko enters her first season as head coach for both the Frostburg State field hockey and lacrosse programs after serving as the graduate assistant coach last year.

Last fall, she helped guide the FSU field hockey team to an 11-6 overall record including two four-game winning streaks. The season was accented with a 1-0 upset of No. 15 ranked Catholic, 1-0.

This past spring, the Bobcat lacrosse team finished the season 6-11. FSU opened the season 1-4 but posted four wins in its next five games to even its record at 5-5. However, the Bobcats would struggle the rest of the season finishing with just one win in their final seven games.

Sidorenko came to FSU after a solid playing career at Division I Saint Francis University in Loretto, Pa. She was a four-year starter for the Red Flash field hockey team at both halfback and midfield and served as team captain as a senior. She played three years of lacrosse as well, starting in the midfield, on defense and in goal.

Sidorenko brings a wealth of coaching experience to FSU. She has coached at the Lock Haven University and Wittenberg University field hockey camps as well as the International Scholar Athlete Games. She has served as director of Max Sports women's field hockey and lacrosse programs. She coached for Warrior Lacrosse at Salve Regina and has also coached group lacrosse and summer leagues at Field Sports of Ohio and also served as director and coach for the Nike Lacrosse Camp this past summer.

Sidorenko graduated from Saint Francis in May of 2005 with a degree in political science with a focus in international studies. She also

minored in Spanish and history. She spent a semester studying in Stirling, Scotland, during which time she coached the University of Stirling's men's lacrosse team.

Sidorenko is pursuing her master's degree in business at Frostburg State.

Katie Levy Assistant Coach

Katie Levy enters her first season as an assistant coach for the Frostburg State field hockey program.

Levy arrives at Frostburg State after playing field hockey for four years at NCAA Division I Monmouth. She was a three-year starter in the midfield and earned All-Northeast Conference honors as a senior. That same year, she was selected as the team's captain by her teammates and was the squad's leading scorer.

Levy has also served as an instructor/coach at Starting Line-up, Jersey Intensity and Monmouth field hockey camps. She mentored girls ranging from ages 10-18 in skills and concepts, game preparation and overall competitive sports settings.

Levy earned her bachelor's degree of art in communication with a concentration in TV and radio from Monmouth in May of 2006 with a overall grade point of average of 3.36. She is pursuing her master's degree in business administration at Frostburg State.

Kristin Cousin Assistant Coach

Kristin Cousin joins the FSU field hockey coaching staff for the 2006 season after a stellar playing career for the Bobcats.

She was a two-time STX/National Field Hockey Coaches Association regional All-American and was selected to the NFCA Division III North/South Senior All-Star Game. During her career, she started 62 games and made 501 saves.

Cousin also has a solid coaching background. She coached at STX field hockey camps for three years as well as at instructing field hockey at South River high school for two years.

She is set to graduate in May 2007 with a bachelor's degree in psychology.

BOBCATS BEGIN NEW ERA UNDER SIDORENKO

The Frostburg State field hockey program will begin a new era this season as Head Coach Annie Sidorenko takes over the reigns. She will look to four seniors to power the Bobcats this season after a successful 11-7 overall record in 2005.

This fall, the FSU defense will be the strength of the team with the return of three seniors: **Talia Warsaw (Ashton, Md./Sherwood)**, **Morgan Whalen (Milford, Del./Milford)** and **Jenni Brygider (Locust Grove, Va./Orange County)**.

Warsaw has moved from her forward position last year to the defense this season. She appeared in 14 games a year ago and scored two goals. She has a solid work rate and should provide leadership to the defense.

Whalen is the captain for the Bobcats and the core of the team. She is a patient player with great direction. In 2005, she appeared in 17 games making 16 starts. She helped contribute to a defense that held opponents to a 1.37 goals against average.

Brygider has moved to the defense after serving as a forward in each of the past three seasons. She has great stick skills and she will start on the left side. Last fall, she scored one goal and added one assists in 17 games.

Junior **Michelle Frost (Jessup, Md./Hammond)** will be the starting sweeper in 2006. She has good timing and rhythm and her ability will keep pressure off the goalkeeper. She started all 18 games last season posting one goal and one assist.

Sophomore **Sarah Sturgill (Baltimore, Md./Institute of Notre Dame)** and freshmen **Holly Passmore (Westminster, Md./North Carroll)** and **Lane Bradley (Columbia, Md./Atholton)** will also compete for time on defense.

The midfield should also be strong for the Bobcats with the return of three starters.

Junior **Brittney Blystone (Mohnton, Pa./Governor Mifflin)** has moved to the midfield this season after playing upfront a year ago. She is a very offensive minded player and her great stick work and drive should make her a great player. She tied for third on the team in 2005 with five goals.

Junior **Brittany Russell (Washington, N.J./Warren Hills)** enters the season as the starter at left midfield. She is a very versatile and defensive minded player. She started in 17 games last fall, scoring one goal and passing out three assists.

Sophomore **Aly Erickson (Annapolis, Md./Broadneck)** has

emerged as the starter at right midfield. She has great passion and improved ball handling skills. She scored two goals and added one assist last year in 17 starts.

Freshman **Jade Franzen (Mansfield, Mass./Mansfield)** will see playing time this season at center midfield.

Junior **Carly Cross (Odenton, Md./Arundel)** and freshman **Lisa Bohannon (Myerstown, Md./Elco)** will also compete for time this season in the midfield.

The Bobcat attack this is young and returns only one starter upfront from 2005.

Senior **Amanda Griswold (Rockville, Md./Magruder)** is the lone returner and will provide experience and leadership to the younger players. Last fall, Griswold netted five goals and handed out one assist while starting in 17 games.

Freshman **Sammy Stalter (La Plata, Md./La Plata)** is a transfer from Old Dominion and will compete for a starting spot. She is a speedy player and will be a great asset to the squad.

Freshman **Kelly Filipowicz (Elkridge, Md./Long Reach)** will compete for the starting center forward spot. In high school, she scored 73 goals and the coaches are looking for the same output at FSU.

Freshman **Laura Weimer (Baltimore, Md./Sparrows Point)** has shown great improvement throughout the preseason and will compete for time along with junior **Whitney Young (Annapolis, Md./Broadneck)**.

The goalkeeper position is up for grabs and should be an open battle through camp.

Junior **Jessica Brittingham (Pocomoke, Md./Pocomoke)** and **Amanda Runion (Leonardtown, Md./Leonardtown)** both show great potential. Runion saw action in five games last season, making one start and earning the win against Washington and Jefferson.

This season, the Bobcats will face yet another tough schedule that includes several ranked opponents. Salisbury is the reigning national champion and enters the season as the top-ranked team in the nation. FSU faces top-ten opponent Montclair State as well as top-20 teams Catholic, William Paterson and Juniata.

Dr. Jonathan Gibraltar - President

Dr. Jonathan C. Gibraltar was named the 14th president of Frostburg State University in March of 2006. Prior to joining FSU, Dr. Gibraltar served as president of Farmingdale State University of New York on Long Island from 2001 to 2006. Under his leadership, Farmingdale State experienced a significant transformation, including a 25 percent increase in enrollment and the launching of a number of new bachelor degree programs. Dr. Gibraltar also is credited with building strong campus ties with business leaders, and he began Farmingdale State's first-ever major gifts campaign in 2003, with the goal of raising \$10 million in five years.

Before his tenure at Farmingdale State, Dr. Gibraltar held other positions at higher education institutions in the state of New York. He was interim president of Corning Community College in 2000-2001. Also at Corning, he served as dean of academic affairs from 1998 to 2000. From 1993 to 1998, he was dean of the Rome Campus of Mohawk Valley Community College. And from 1990 to 1993, he was associate dean of the School of Liberal Arts at the State University of New York at Morrisville.

Also active within his profession, Dr. Gibraltar serves on the Middle States Commission on Higher Education and on the Facilities Strategies Committee of SUNY's University-wide Strategic Planning Committee.

Dr. Gibraltar holds a Ph.D. in human development from Syracuse University (1996), an M.A. in counseling psychology from New York University (1982), and a B.A. in psychology from the State University of New York at Binghamton (1978). He and his wife Laurie have two sons.

RALPH BREWER - DIRECTOR OF ATHLETICS

Ralph L. Brewer was named Frostburg State's athletic director on July 1, 2003 after serving on an interim basis since August 2, 2000. Bobcat athletics have thrived under Brewer's direction. The number of corporate sponsors has increased, student-athlete retention rates and academics have improved and facilities have been upgraded, most notably with the construction of new soccer and softball fields and the installation of new message boards and scoreboards in Bobcat Arena.

Brewer is no stranger to Frostburg, having been a member of the FSU English Department since 1969. He recently served as chair of the department, and he continues to teach several classes throughout the year. A strong supporter of Bobcat athletics, he has been chair of the Athletic Advisory Committee and served as the university's faculty representative for both the NCAA and Allegheny Mountain Collegiate Conference steering committees. He was also a member of search committees for the head football coach and sports information director positions and served as President of the Atlantic Central Football Conference.

Brewer graduated from Austin Peay State College in Clarksville, Tenn., in 1967 with a bachelor's in English and taught at Clarksville High School from 1967-68. He then earned his master's in English from Austin Peay in 1969 before joining the FSU staff.

He has since served on numerous English department and University committees and task groups, including the President's Cabinet, the Senate Steering Committee and the Strategic Planning Task Group. Additionally, he has served as President of the Faculty Assembly (1980-81) and Chair of the Faculty Senate (1992-94).

WEIGHT ROOMS

The **Harold J. Cordts Physical Education Center** is a state-of-the-art facility for health and physical education classes, intramural and intercollegiate competition and general use by the university community. This complex features an Olympic-size swimming pool with separate diving well; courts for racquetball, handball and squash; two gymnasiums, including a 3,600-seat arena; a climbing wall; weight rooms; and a dance studio.

The Cordts Center is fully equipped for archery, tennis, track and field, volleyball, gymnastics, soccer and other athletic activities. Offices, classrooms, a training room, lockers and showers are also located in the complex. Outdoor facilities include tennis courts, playing fields and Bobcat Stadium with its track and field facilities and all-weather track. This past summer, FSU's excellent facilities were chosen by the Wooten Basketball Camp, the April Heinrichs Soccer School and the Ripken Baseball Camp.

DUNKLE QUAD

From an opening day enrollment of 57 students, Frostburg State University has grown to a present day enrollment of over 5,000 students. Its physical plant, once limited to a single building, Old Main, which housed classrooms and a library, has also grown to over 30 facilities including classroom buildings, residence halls, the Lewis J. Ort Library, the Harold J. Cordts Physical Education Center, the Lane Center, and the Performing Arts Center, situated on 255 beautiful acres.

Opened in 1902 as State Normal School No. 2, the University owes its existence to the tenacity of J. Benson Oder, editor of the Frostburg Mining Journal, and the citizens of Frostburg who, in spite of political barriers, raised funds and purchased the site on which the University is located.

Over the years, the name of the institution has reflected the changes in the scope of its educational mission. In 1935, the State Normal School No. 2 became the State Teachers College at Frostburg, a four-year college which offered a Bachelor of Science in Elementary Education. In 1963, the name became Frostburg State College, and finally in 1987, with the strong support of the local civic and business community, became Frostburg State University, an indication of its growing resources, diversity and excellence in educational opportunities for the region and the state.

In 1988, FSU became a constituent institution of the University System of Maryland, comprised of 11 of the state's 13 public institutions. Expanding to meet the educational

FSU AT A GLANCE

- Average class size: 19
- 89% of classes have fewer than 30 students.
- 17:1 student/faculty ratio
- According to a recent survey, 97% of our graduates are employed. Over 83% are employed in the field of their choice.
- An undergraduate biology student discovered a new species of worm and presented his findings at the Russian Society of Nematologist Symposium in St. Petersburg.
- Among its peer institutions, FSU was ranked second for the number of national awards received by its faculty.
- The CBS hit comedy "Yes, Dear" has a character who has ties to FSU and often wears "Frostburg" T-shirts, thanks to Gregory Garcia, real-life FSU graduate and the show's executive producer.
- The fall 2000 entering freshmen class was the largest in FSU history and 10.2 percent larger than the previous year. The same class had an average SAT score that was 14 points higher than the previous year's average.
- FSU is a partner in the construction of a business and technology park on campus. This new park will provide opportunities for students to engage in research and internships with participating agencies.

- FSU education graduates have typically had pass rates of 96%-98% on the National Teachers Exam.

needs of the region, the FSU Center in Hagerstown was also established in 1988 to offer upper-level bachelor's degree coursework and graduate programs. The University also opened, in 1990, a permanent location for the Frederick MBA program.

Throughout its growth, the University has emphasized excellence in teaching. Over 80% of the full-time faculty hold Ph.D.s or terminal degrees from institutions that are among the most prestigious in the nation. Faculty scholarship has led to scholarly books, manuals and journals, as well as numerous articles and reviews. This excellence in faculty has resulted in superior results for students. FSU has been ranked first among its peers for the number of doctorates per 100 baccalaureate degrees awarded. In the same study, FSU was ranked second in the percentage of national, prestigious awards received by faculty. These have included Fulbrights and significant grants from the National Endowment for the Humanities, the National Endowment for the Arts and other national associations.

At the same time, the University has developed comparable excellence in academic programs, research, consulting, cultural and athletic events, and facilities. In recent years the campus has consistently received a superior rating, the highest state award given for facilities and maintenance. In addition, FSU was also recently ranked safest college campus in the state.

Today, the University's mission and services have expanded significantly. Over 400 full-time administrators and support staff, and more than 200 full-time faculty serve the educational needs of students who come not only from throughout the United States, but also the world. These students have a choice of 37 major programs of study leading to the Bachelor of Art, Bachelor of Science, Bachelor of Fine Arts and Bachelor of Technical and Professional Studies degrees as well as graduate degrees in applied ecology and conservation biology, business administration, counseling psychology, education, wildlife/fisheries biology, human performance, modern humanities, park and recreation resource management, teaching and applied computer science. In addition, 12 pre-professional programs are offered.

Frostburg State University continues its pursuit of excellence. It is a tradition which now spans over a century.
