The Salvation Army
Angel Tree - Gift Suggestions

Our goal each year is to provide one main gift, possibly a stocking stuffer for each child & a board game for each family. In 2024, over 3,800 gifts were given to children in Lincoln and Minnehaha counties.

The following items are encouraged as a main gift:

Riding toys, tricycles, wagons, developmental/learning toys, building and block sets, action vehicles/cars/trucks, age appropriate baby dolls, books (series), action figure sets, fire engines, trains, scooters, skateboards, sports equipment, drawing/painting sets, musical instruments, remote control cars, STEM kits, and microscope/science sets. For older kids personal or bedroom accessories, age appropriate hair care/personal items, Legos, science or arts kits and anything electronic.

Brands to consider: Fisher Price, Playskool, Sesame Street, LOL Surprise, Tonka, Disney, Hatchanimals, MatchBox, Barbie, Lego, Star Wars, DC, Marvel, Nerf, Hot Wheels, etc. Or your favorite retailors version of the same type of items made by the brands listed above.

We ask that main gifts be priced around the $25.00 range. That way each child in a family receives a gift around the same price.

Stocking Stuffer items: personal care items, Matchbox cars, hair accessories, small games, art supplies-color book & crayons/drawing pad & colored pencils, small puzzle, single dolls, stuffed animals and branded items from Disney, Star Wars, Barbie, Marvel, DC, etc.

Family Gift: Board games
