Course Maps

*Map titles are hyperlinked to interactive maps

Swim - 750 m

Swim will be an in-water start between buoys with starting positions chosen before entering the water. Swimmers will be directed under the bridge and take two turns before heading to Transition 1 floating dock.

Course Maps

Transition Area

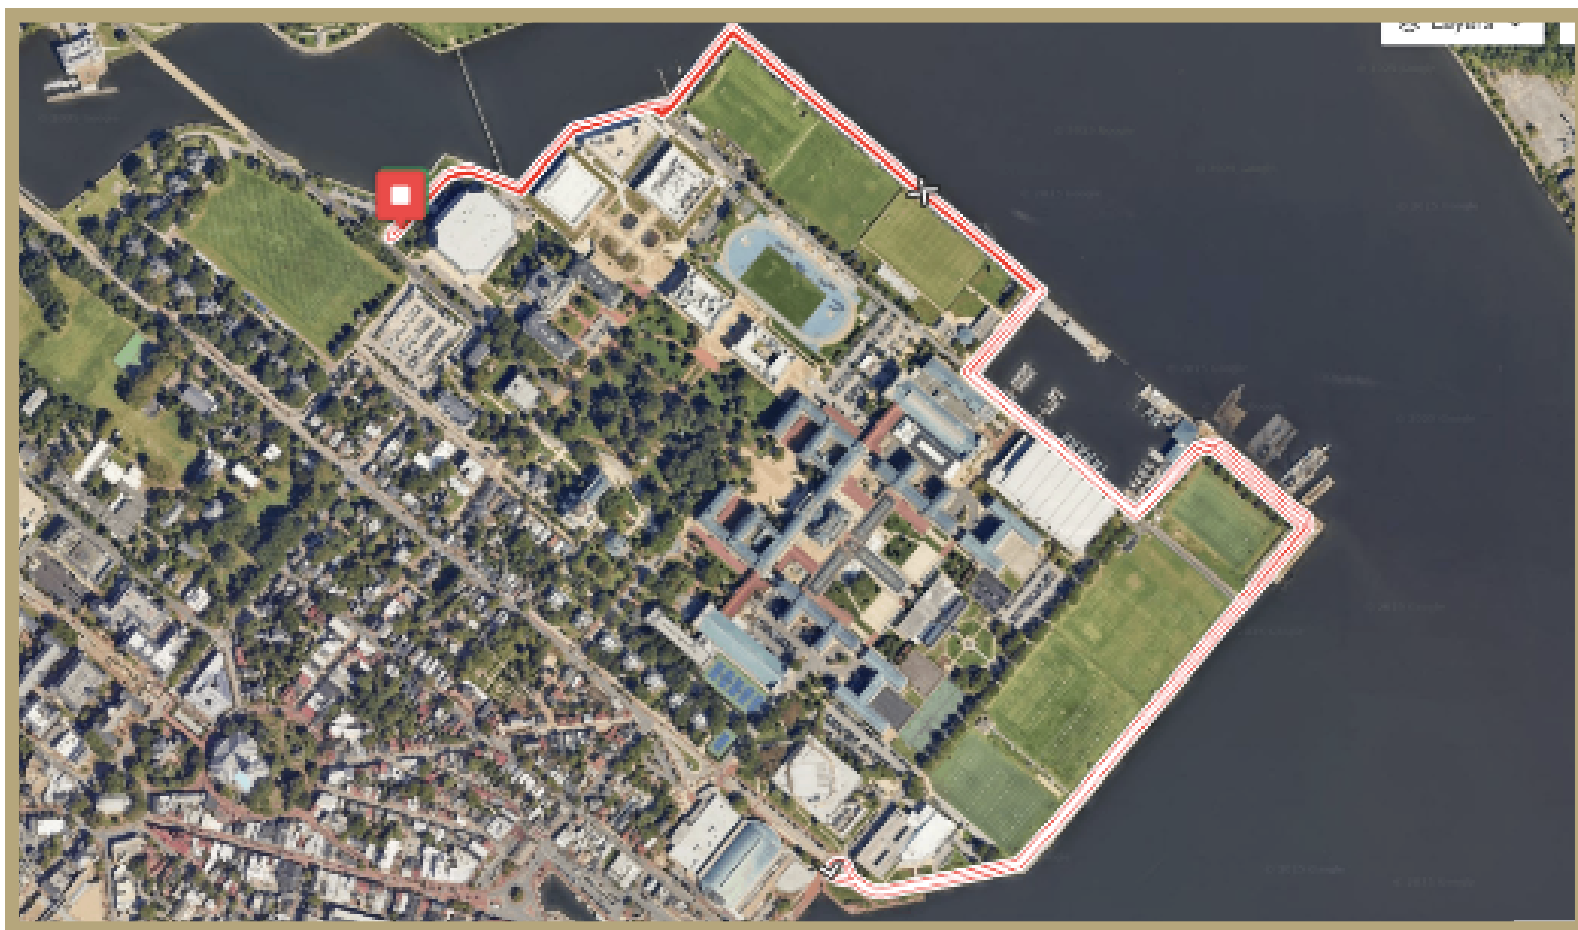

Transition 1 will have a floating dock that will require exit similar to lifting oneself out of a pool. Bike Loops will not go through transition. Transition 2 will exit on the west end and loop back towards Alumni Hall staying to the north of Decatur road on side walks.

Course Maps

*Map titles are hyperlinked to interactive maps

Bike - 19 km (4 laps)

Bike will be 4 loops along the perimeter of the United States Naval Academy with views of the Severn River, Chesapeake Bay, and turning at the round-about overlooking Annapolis Harbor. The bike course is flat, extremely technical, and will utilize cones and normal road markings to differentiate inbound and outbound.

Course Maps

*Map titles are hyperlinked to interactive maps

Run - 5 km (2 loops: 1 & 2)

Run course will be two-way traffic on closed sidewalks in view of the spectators for the first and last 300m of each loop. Runners will stay on sidewalks along bike course and then have use of the road and large sidewalks for the long out and back to the Sailing Center with water on course at both ends.
