APPENDIX III – NCAA ROUTINE SUMMARY FORM

(Will be used for Regular season and Conference Championship)

The Routine Summary Form is a method for a coach to obtain information from the judge(s) in order to clearly understand the deductions applied. It is intended as an educational tool for the student-athlete and coaching staff. Regardless of the comments written by the judge, no scores will change as a result of the Routine Summary Form.

Each institution is permitted to submit up to a total of six (6) Routine Summary Forms per competition. The Routine Summary Forms are to be given to the meet referee, who will distribute and complete with the event officials following score verification and return them to the respective coach. It is the responsibility of the head coach to provide the skill information or two copies of inquiry form to assist the timely completion of this process.

The procedure is in place for regular season meets only. Routine summaries shall be detailed in written form (judging shorthand shall not be used) and provide the skill deduction description along with the amount of the deduction. Judges are encouraged to use the comment section to give additional feedback to coaches.
