PRESEASON PROGNOSTICATION

SIUE men's basketball has been tabbed for a third-place finish according to the league's head coaches and sports information personnel. SIUE garnered 86 points and tied both Morehead State and UT Martin in the poll. Tennessee State was picked to repeat as OVC champion. The Tigers got 13 of 18 first-place votes and 125 points. Southeast Missouri was picked second with 107 points and grabbed two first-place votes. Lindenwood, Southern Indiana, Eastern Illinois and Western Illinois followed in the poll.

TOURNAMENT CEMENTED IN EVANSVILLE

The OVC Men's and Women's Basketball Championships will be held March 3-6 at the Ford Center in Evansville, Indiana. It marks the 10th-straight season the event has been held in the building. The Ford Center, which opened in 2011, is an 11,000-seat arena located in the core of Evansville's downtown district. The 290,000-square foot facility serves as home of the University of Evansville's men's basketball team and the Evansville Thunderbolts of the Southern Professional Hockey League. The Ford Center also serves as host to numerous sporting events and concerts on an annual basis. In October 2025 an agreement was reached to extend the partnership through the 2032 Championship.

TOURNAMENT CHAMPIONSHIP FORMAT

Once again the OVC Tournament will include a merit-based format. The format, which began in 2011, has the top eight men's and women's teams qualifying for the tournament. The No. 1 and 2 seeds will receive two byes to the semifi nals while the No. 3 and 4 seeds will receive one bye into the quarterfi nals. The first round will include the No. 5 seed against the No. 8 seed and the No. 6 seed against the No. 7 seed. The women's bracket also uses a merit-based bracket.

OVC/ESPN PARTNERSHIP

The OVC will once again produce a national television package in 2026-27 that will include eight men's basketball games that will air on the ESPN Family of Networks. The regular season games and the men's tournament semifi nals will air on ESPNU; the Men's Championship game will air on ESPN2. Most of the regular season games will be "wild card selections" with the matchup picked approximately two weeks ahead of the game.

HEAD COACH BRIAN BARONE

Brian Barone guided the Cougars to another winning season in 2025-26, the fourth consecutive for the program. Now in his eighth season at the helm, Barone has led SIUE to 77 wins over the past four seasons, second only to Morehead State's 83 among Ohio Valley Conference programs in that span.

In 2025-26, the Cougars won 19 games overall and made its sixth consecutive appearance in the OVC Tournament, matching Morehead State as the only teams to have appeared the last six tournaments. SIUE also won eight true road games, the most in the Division I era.

Defense remains the hallmark of SIUE's strength, as the Cougars finished eighth in the NCAA in scoring defense, allowing just 64.7 points per game. SIUE was 11th in the country in field goal percent defense at 39.5. SIUE opponents also shot just 29.8 percent from three-point range, ranking the Cougars 10th nationally.

Cougar senior Arnas Sakenis finished his career as the all-time leader in blocked shots at SIUE with 160. At the end of the season, Sakenis ranked 11th in blocks per game at 2.34 and 15th with 75 total blocks. Sakenis earned OVC Defensive Player of the Year honors for his efforts, becoming the first SIUE player to win the award. Following the season, Sakenis signed a summer league contract with the NBA's Miami Heat.

Junior Tyler King was named to the All-OVC second team after leading the team in scoring at 9.9 points per game. He averaged 12.8 per contest in OVC play to rank 13th in the league.

Barone delivered the breakthrough season in 2024-25. In his sixth season as head coach, Barone brought the program its first conference championship at any level, and first-ever trip to NCAA March Madness.

SIUE closed the regular season with 20 wins and finished with 22 wins, marking the most in the Division I era. The Cougars were 12-3 at home, matching their program mark for home wins, but also went 7-8 on the road to equal their most road wins. SIUE also won three neutral games.

Barone's teams have excelled defensively. During the 2024-25 season, SIUE held opponents to an average of just 66.5 points per game which led the Ohio Valley Conference and ranked 35th in the NCAA. Their field goal percent defense of 40.2 was second best in the OVC and No. 20 nationally. That total was the best in school history since the 2006-07 season, when the Cougars still played at the Division II level. The Cougars held 20 opponents under 70 points and were 18-2 in those games.

Offensively, SIUE remained consistent averaging 71.6 points per game nearly identical to the season before. The Cougars improved their overall shooting from 42 percent to 43 percent and connected on 33 percent of their three-pointers for the second consecutive year.

Finally Barone oversaw the culmination of two long SIUE careers. Desmond Polk and Ray'Sean Taylor each finished their five-year careers under Barone. Polk finished second all-time in games played at SIUE, while Taylor authored the finest career in school history, finishing as the all-time leading scorer with 1,962 points while also finishing in the top three in school history in six other offensive categories.

The Cougars finished 17-16 in 2023-24 including a 9-9 mark in Ohio Valley Conference play. SIUE appeared in the OVC Tournament for the fourth consecutive season, a first for the program. The Cougars advanced to the second, for the second straight season, before falling to eventual tournament champion Morehead State.

SIUE established a strong home-court advantage, amassing a 12-2 record at First Community Arena, establishing a new mark for home wins at the Division I level.

For the second season in a row, SIUE excelled on the defensive end. The Cougars limited opponents to just 70.1 points per game, more than a point per game better than the previous season. The Cougars held 17 opponents below 70 points. Offensively, the Cougars improved their long-range shooting, rising to 33.2 percent from three-point range. SIUE connected on better than 72 percent of its free throws for the second straight year.

Finishing with a record of 19-14, Barone led the Cougars to a historic season in 2022-23, turning in the first winning season since SIUE made the transition to Division I play. The Cougars won nine games in the nonconference season before winning nine in Ohio Valley Conference play, both new highs for the program at Division I. SIUE won seven true road games and also was 3-1 in neutral site games. The 10 wins away from home made SIUE the winningest road team in the league. SIUE defeated Southern Indiana 68-54 to advance to the second round of the OVC tournament for the first time.

SIUE went 3-0 at the JK54 Classic to win the November tournament hosted by Longwood. On December 21, the Cougars picked up one of their best wins since making the jump to Division I when they defeated Saint Louis 69-67. The game featured an 18-point second-half comeback by the Cougars, which was one of the largest second-half comebacks in the NCAA during the season.

Beginning with the tournament at Longwood, SIUE won six consecutive games and nine of 11, propelling the Cougars to a 10-4 start to the season.

The Cougars improved in several key offensive categories. SIUE's scoring average improved by more than seven points per game. The Cougars improved their overall shooting percentage from .418 in 2021-22 to .435 overall and from .291 to .329 from three-point range. At the free throw line, the improvement was even more dramatic, where the team connected on 72.9 percent of its shots, compared to a .690 percentage in the previous season. The Cougars were second in the league in free throw percentage, as well as free throws made and free throws attempted. The improved offense didn't come at the expense of defense. The Cougars held opponents to 71.3 points per game, good for second in the OVC. SIUE foes were limited to a .425 shooting percentage from the field, which also was second in the league.

Ray'Sean Taylor became SIUE's first-ever All-OVC First Team selection. Damarco Minor was named to the league's All-newcomer team.

With 11 wins during the 2021-22 season, Barone guided SIUE to its second most wins, at the time, in the Division I era. It marked just the sixth time the Cougars had won at least 10 games since moving to Division I play. Despite still contending with lingering Covid-19 concerns, SIUE returned to Evansville for the OVC Tournament

HEAD COACH BRIAN BARONE

for the second consecutive year.

Under Barone, freshmen Ray'Sean Taylor and DeeJuan Pruitt stood out among a talented roster. Taylor was on pace for a historic season before suffering a second ACL tear forcing him to miss the final 11 games. At the time of his injury, he was averaging 17.6 points per game, which would have been second in the OVC and was the most for any first-year player. Pruitt led the Cougars in rebounding at 6.8 points per game which was good for fourth in the OVC. He was third on the team in scoring at 10.2 points per game, which was 21st in the league.

Barone led the Cougars through an unprecedented 2020-2021 campaign, guiding the team back to the Ohio Valley Conference tournament despite overwhelming challenges.

The Cougars won nine total games, including six road wins, setting a then-program high for road wins in the Division I era, including a 20-point triumph at Northern Illinois, the largest road win since the reclassification. SIUE also won road games at eventual OVC champion Morehead State, Tennessee State, Eastern Illinois, UT Martin and Tennessee Tech. The win at Tennessee Tech also was a first for the program. The team won seven OVC games. SIUE also had to contend with 10 canceled or postponed contests related to the ongoing Covid-19 pandemic and finished the season playing 18 games in just 37 days.

The highlight of Barone's first season came with a historic 79-69 win at Belmont. It was the program's first-ever win over Belmont and came among five Ohio Valley Conference victories. The Cougars also won road OVC games at Eastern Illinois and UT Martin during the season. SIUE also triumphed over Southeast Missouri and Eastern Kentucky at home.

Barone presided over the final year of Brandon Jackson and Tyresse Williford's careers. Jackson finished his career as the program's all-time leader in games played (122) and 22nd in scoring with 906 points. Williford finished his career 12th all-time in assists (242) despite playing just two seasons. He was ninth all-time with an average of 4.0 assists per game.

Before coming to SIUE, Barone boasted previous NCAA Division I experience as an assistant at Green Bay, Indiana and Bradley. He also made coaching stops at Butler Community College, Garden City Community College and Central Florida Community College.

As a player, Barone played his first two seasons at Texas A&M, playing for his father Tony Barone, Sr. He earned honorable mention all-Big XII accolades as a sophomore following the 1997-98 season when he finished among the league's top five in assists and steals. He also received GTE Big XII Academic All-Conference accolades as well.

He transferred to Marquette. Barone made his debut in 1999-00 after sitting out one season as a transfer. He served as team captain during his tenure and was also named to the Conference USA All-Academic Team. Barone earned his bachelor's degree in communications from Marquette in 2000 and completed his master's in communications at MU in 2002.

Basketball runs in Barone's family. His father, Tony Sr., played at Duke and was the head coach at Creighton, Texas A&M and the NBA's Memphis Grizzlies, as well as being the Director of Player Personnel for the Grizzlies. His brother, Tony, Jr., has been a college assistant coach, a Director of Scouting in the NBA, and currently is the assistant director for development and enforcement for men's basketball with the NCAA.

Barone and his wife, Mimi, have a son, Carson, and three daughters, Ava, Gianna and Cecilia.
