ABOUT TABOR COLLEGE

Established in 1908 by the Mennonite Brethren and Krimmer Mennonite Brethren denominations, Tabor College opened its doors with 39 students and three instructors. Before the end of the school year, enrollment sky-rocketed to 104 students and seven faculty.

From its beginning, Tabor has offered a broad Christ-centered liberal arts education preparing students for employment and training church workers.

In 1948, Tabor embarked on a journey to offer varsity intercollegiate athletics. 1967 marked the first year of Bluejay Football, and 1968 saw the college become a full member of the Kansas Collegiate Athletic Conference (KCAC).

ABOUT BLUEJAY ATHLETICS

Tabor College currently offers a slate of 20 sports, including Baseball, Basketball, Cross Country, Football, Golf, Indoor Track & Field, Outdoor Track & Field, Soccer, and Tennis for men, and Dance, Basketball, Cross Country, Golf, Indoor Track & Field, Outdoor Track & Field, Soccer, Softball, Tennis, Volleyball, and Cheer for women.

THE ***RIGHT*** WAY ^{TO} ***PLAY***

At the NAIA, we take the student part of student-athletes seriously, balancing growth of the whole person with athletic achievement. That's the right way to play – on the field, in the classroom, and within the community.

ABOUT THE NAIA

The National Association of Intercollegiate Athletics (NAIA) traces its roots back to 1937 and was officially founded in 1952. The association had previously been basketball focused, growing from the original National Intercollegiate Basketball Tournament founded by influential leaders such as Dr. James Naismith and Emil Liston and grew to include men's championships in golf, tennis, and outdoor track and field in addition to men's basketball. Historically Black Colleges and Universities (HBCUs) were welcomed into the NAIA in 1953, becoming the first collegiate athletic association to do so. The association became a pioneer of intercollegiate athletics yet again in 1980 when it became the first collegiate athletic association to sponsor both men's and women's championships, adding nine championships on the women's side.

NATIONAL ASSOCIATION OF
INTERCOLLEGIATE ATHLETICS

ABOUT NAIA SOCCER

The NAIA began sponsoring a women's soccer National Championship in 1984 and has crowned a champion in every year since then. Currently, 180 of the NAIA's 250 member institutions sponsor Women's Soccer as a varsity sport. For the first time, the 2026 NAIA Women's Soccer Championship will be held at the Jack Allen Sports Complex in Decatur, Ala.

NAIA CHAMPIONS OF CHARACTER PROGRAM

The mission of the NAIA's Champions of Character program is to provide training to instill the values that build character, so students, coaches and parents know, do, and value the right thing on and off the field. The program helps participants find balance by keeping the five core values - integrity, respect, responsibility, sportsmanship, and servant leadership - at the heart of the athletics experience.

Students learn to understand how the values play out in both practice and competition. Coaches are taught how to intentionally define, model, shape, and reinforce these values through their coaching and mentoring. Parents learn how their behavior is key to supporting athletics.

NAIA: THE RIGHT WAY TO PLAY CAMPAIGN

This grassroots campaign is designed to amplify the distinct value of the NAIA as *The Right Way to Play*, weaving its story through the lens of NAIA membership. The world of college sports has undergone a seismic shift in the past decade, with changes that often stray from the values that once defined it. The NAIA champions the authentic spirit of college athletics, allowing student-athletes to compete in sports they are passionate about, while also emphasizing academics, character development, and community involvement. Balancing growth of the whole person with athletic achievement is just one aspect that the NAIA will promote with the campaign. Common-sense regulations, innovative tools for building successful athletics programs, and character-driven competition are other aspects that embody the NAIA model.

ABOUT THE KCAC

The Kansas Collegiate Athletic Conference (KCAC) is an intercollegiate athletic conference comprised of 14 private institutions of higher education from Kansas, Missouri, Nebraska, and Oklahoma. The KCAC is the oldest conference in the NAIA and the second-oldest athletic conference in the United States. The origins of the KCAC are traced to February 15, 1890, when the Kansas Intercollegiate Athletic Association (KIAC) became the result of the first successful attempt at organization among Kansas colleges, "to promote and regulate amateur intercollegiate athletics." In 1902 this early association became allied with the Kansas College Athletic Conference, a group which was the first to adopt a definite set of rules and regulations. In 1902 the conference included 18 full members and two allied members: Baker University, Bethany College, Bethel College, College of Emporia, Sterling College, Wichita State University, Friends University, Kansas Wesleyan University, Emporia State University, Fort Hays State University, Pittsburg State University, Kansas State University, McPherson College, Ottawa University, Benedictine College, St. Mary's College, Southwestern College, and Washburn University. Allied members were St. John's College and Kansas City University. 13 teams left the conference by the end of the 1926-1927 season. Kansas State University (1913) and the University of Kansas (1907) joined the Missouri Valley Intercollegiate Athletic Association (MVIAA). College of Emporia, Emporia State University, Fort Hays State University, Pittsburg State University, Southwestern College, Washburn University, and Wichita State University left to form the Central Intercollegiate Conference. Benedictine College, Bethel College, Friends University, and Sterling College left the fold to become independents in 1928-29. Due to the changes in the athletic landscape, the KIAC reorganized on December 1, 1928 becoming the Kansas College Athletic Conference (KCAC). The members of the newly restructured conference were Baker University, Bethany College, Kansas Wesleyan University, McPherson College, Ottawa University, and St. Mary's College. At that time sportswriters quickly gave the KCAC league a nickname: the "Little Six," in contrast to the Big Six (which became Big 8, now Big 12) which also was organized in 1928. There were more changes to the KCAC that happened in the 1930s with one school closing and two returning to the conference. St. Mary's College closed its doors in 1931-32, the College of Emporia returned to the fold in 1933-34, and Bethel College was readmitted in 1939-40. Members of the original conference returned in the 1950s. Friends University returned in 1953-54 and both Sterling College

and Southwestern College were readmitted to the KCAC in 1958-59. Two new members joined with the addition of Tabor College and St. Mary of the Plains College (Dodge City, Kan.) in 1968-69. These two new members in 1968-69 gave the KCAC 12 schools, moving the conference to rebrand itself as the Kansas Collegiate Athletic Conference. Due to the KCAC having 12 members, the conference was organized into a Northern and Southern Division. This lasted from 1969-70 to 1970-71 due to another restricting of the KCAC membership. Baker University, College of Emporia, and Ottawa University left to join the Heart of America Athletic Conference (Heart) in 1971-72, giving the KCAC nine members. The KCAC moved back to 10 members with Ottawa University returning to the KCAC in 1982-83. The conference dropped to nine members with the closing of St. Mary of the Plains College in 1991-92. In 1999-2000, the conference was able to push its membership to 10 with the addition of the University of Saint Mary from Leavenworth, Kan. Wanting to add more opportunities to its member schools and expand the reach of the KCAC, the conference expanded to 14 teams with the addition of Oklahoma Wesleyan University (2015-16), York University (2015-16), Avila University (2018-19), and Evangel University (2023-24). The KCAC has been part of the collegiate landscape since 1902. The KCAC has held its annual outdoor track and field meet every season since 1902 except during World War I, World War II, and CoVid-19. Men's basketball has been sponsored since 1904, football was restarted in 1907, men's tennis began as early as 1912, and men's golf was added in 1923. The first college football game in the state of Kansas was played between two of the original members of the KCAC, the University of Kansas and Baker University in 1890. The first night football game held west of the Mississippi River was played between Sterling College and Wichita State University in 1905 thanks to the Coleman Company that set up temporary gas-powered lighting. In 1975 women's intercollegiate athletics was added to the KCAC with the addition of basketball, volleyball, and track and field. Today's KCAC offers 28 conference championships: men's cross country, women's cross country, football, women's volleyball, men's soccer, women's soccer, esports, women's basketball, men's basketball, women's wrestling, men's wrestling, men's bowling, women's bowling, men's indoor track and field, women's indoor track and field, men's swimming and diving, women's swimming and diving, cheer, dance, baseball, softball, women's flag football, men's golf, women's golf, men's tennis, women's tennis, men's outdoor track and field, and women's outdoor track and field. The KCAC is an affiliated conference of the National Association of intercollegiate Athletics with headquarters in Kansas City, Mo.

A photograph of four female soccer players standing in a row on a green artificial turf field. They are all wearing white short-sleeved jerseys with 'TAPSCOTT BOR' and a crest on the front, white shorts, and white knee-high socks. The player on the far left is clapping her hands. The second player from the left is smiling and waving her right hand. The third player has her hands clasped in front of her. The player on the far right is looking down with her hands clasped. In the background, there are white bleachers and a chain-link fence under a bright, sunny sky. The text 'RECORD BOOK' is superimposed in large, bold, white letters with a black outline across the middle of the image.
