ALMA MATER

"Far beneath the crags of Franklin
Stand our Alma Mater's halls.
Gleams afar her rock-hewn campus,
Dust brown walls against the hills.
Gem of learning in a country
Whose own wealth of lore enthralls.
Hail the light of Texas Western
And the mission she fulfills!

Chorus: Up! Men of mines, and hit the trail;
The Texas spirit shall not fail;
Miners fight for the right!
For the orange and white!
Tamp! Tamp! Tamp! Men of mines,
Tramp! Tramp! Tramp! Men of mines,
Now clear the way, for it's today,
That we must gain the victory.

May the canyon walls above her
Echo back her classic name,
And the deeds of men who leave her
Stir the heights on which she stands.
May the pangs of recollection
Set their memories aflame,
Till they see again the beauty
Of the vista she commands."

FIREARMS AND WEAPONS

As stated in the law, the University President has the authorization to enact "reasonable rules and regulations" for excluding concealed handguns from areas on-campus but the rules may not either "generally prohibit" or "have the effect of generally prohibiting" license holders from carrying concealed handguns on campus. The following exclusion zones have been approved as exclusion areas by UTEP's President. Other rooms and venues on campus could become exclusion zones due to activities taking place such as national testing, a formal hearing, collegiate athletics events, on-campus voting locations organized by government agencies, or special events produced by external agents. In these cases appropriate signage will be displayed at the entrance to the venue or room. Rationale for UTEP's exclusion areas can be found in the Campus Concealed Carry Task Force Report. Facilities impacted while an event is taking place include, but are not limited to the following: Sun Bowl Stadium, Don Haskins Center, Kidd Field, Memorial Gym, University Field and Helen of Troy Softball Complex. The iconic Sun Bowl Stadium opened on September 21, 1963. The Miners went on to score a 34-7 victory over the Eagles. The facility was originally designed to hold 30,000 spectators. The second deck on the press box was completed in 1969, and in 1982 extra seating was added. In 2020, an $18 million renovation was completed, creating various premium seating options and areas including outdoor club seats, loge boxes, indoor club seats and suites. The present seating capacity is 45,971. The stadium is not only home to the UTEP football team, but also houses the Sun Bowl game every December.
