Reaching the posted standards does not guarantee an athletic scholarship or spot on the team. Variables that will be considered when evaluating potential awards include academic standards, scholarship availability, team needs and year when the marks are reached. Partial scholarships may range from 1% - 99%

Performances must be electronic timing(F.A.T); no hand times. Wind aided marks will be considered appropriately. Those who wish to walk-on to the team will be evaluated based on the coach's discretion.
