Patriot League Football Tiebreaker Information

a. If a tie exists, the higher seed will go to the team that won the most head-to-head League contest(s) played against the other team(s) involved in the tie.

b. If a tie still exists, a comparison of League records will be made between the tied institutions starting at the highest seed and continuing through the lowest seed, if necessary.

c. If a tie still exists, a comparison of records against common out-of-league opponents will be made.

d. If a tie still exists, a comparison of rank according to the FCS Committee Metric will be made.

e. If a tie still exists, a committee consisting of the athletics directors of each of the institutions not involved in the tie will make a final decision. The committee should consider various factors, including, but not limited to, the following examples. Note: the criteria are listed in no particular order:
1. Strength of schedule
2. Overall record
3. Computer rankings
4. Performance during the second half of the season

The committee will meet immediately following the release of the FCS Committee Metric should a tie still exist. A majority vote of the committee is required to determine the champion.

Note: In the case of a multiple-team tiebreaker (more than two teams), the process will revert to the beginning of the tiebreaker formula once the tie has been reduced to two teams.

Today's Scholar-Athletes,Tomorrow's Leaders

The Patriot League continually demonstrates that student-athletes can excel at both academics and athletics without sacrificing its high standards. The Patriot League's athletic success is achieved while its member institutions remain committed to its founding principle of admitting and graduating student-athletes that are academically representative of their class. Participation in athletics at Patriot League institutions is viewed as an important component of a well rounded education.

2026-27 PATRIOT LEAGUE ATHLETICS & ACADEMIC SUCCESS

Now in its fourth decade as an all-sport conference combining academic and athletic excellence, the Patriot League sponsors championships in 24 men's and women's sports. Beginning as an NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and now includes American, Army West Point, Boston University, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh, Loyola Maryland and Navy as full members. Fordham, Georgetown, MIT, Richmond, Villanova and William & Mary are associate members. These institutions are among the oldest and most prestigious in the nation, while their alumni continue to play leadership roles in shaping our country.

The Patriot League's mission is simple: to provide successful competitive athletic experiences while maintaining high academic standards and preparing its student-athletes to be leaders in society. During the 2025-26 academic year, Patriot League student-athletes and teams accomplished the following:

*The League's 94 percent graduation success rate (GSR) is the third-best mark in the nation, finishing in the top three each year since the rating was released in 2013. All 10 member schools registered totals of 91 percent or higher, exceeding the record-high national GSR of 90 percent. In addition, the League's 83 percent Federal Graduation Rate (FGR) is the national leader for the 13th consecutive year.

*The Patriot League ranks among the leaders of the 32 NCAA Division I conferences in Academic Progress Rate (APR) (994), eligibility (996) and retention trends (993) by conference. In the latest data release by the NCAA, the League stands second in APR, retention trends and eligibility trends by conference. The League had 165 of its 194 teams score at or above the national average multi-year APR of 986. Eighty-six squads earned a perfect score of 1,000.

*Seven student-athletes earned College Sports Communicators (CSC) Academic All-America recognition, including first-team accolades for Navy's Andrew Schug (Men's Soccer) and Justin Mumford (Men's Track & Field/Cross Country). *A record 4,152 student-athletes named to the Patriot League Academic Honor Roll in 2025-26. The total marked the second year the League has topped 4,000 honorees and a 105-member improvement from the 2024-25 academic year.
